Montgomery County  
Public Schools

# Why Now?

- Feasibility Study in 2014 showed needs in Christiansburg schools
- Expansion of Falling Branch was the top priority to address overcrowding in elementary schools
- Need to address other elementary schools and high school with limited funds
- Current plan requires no tax increase

# Public Input Process

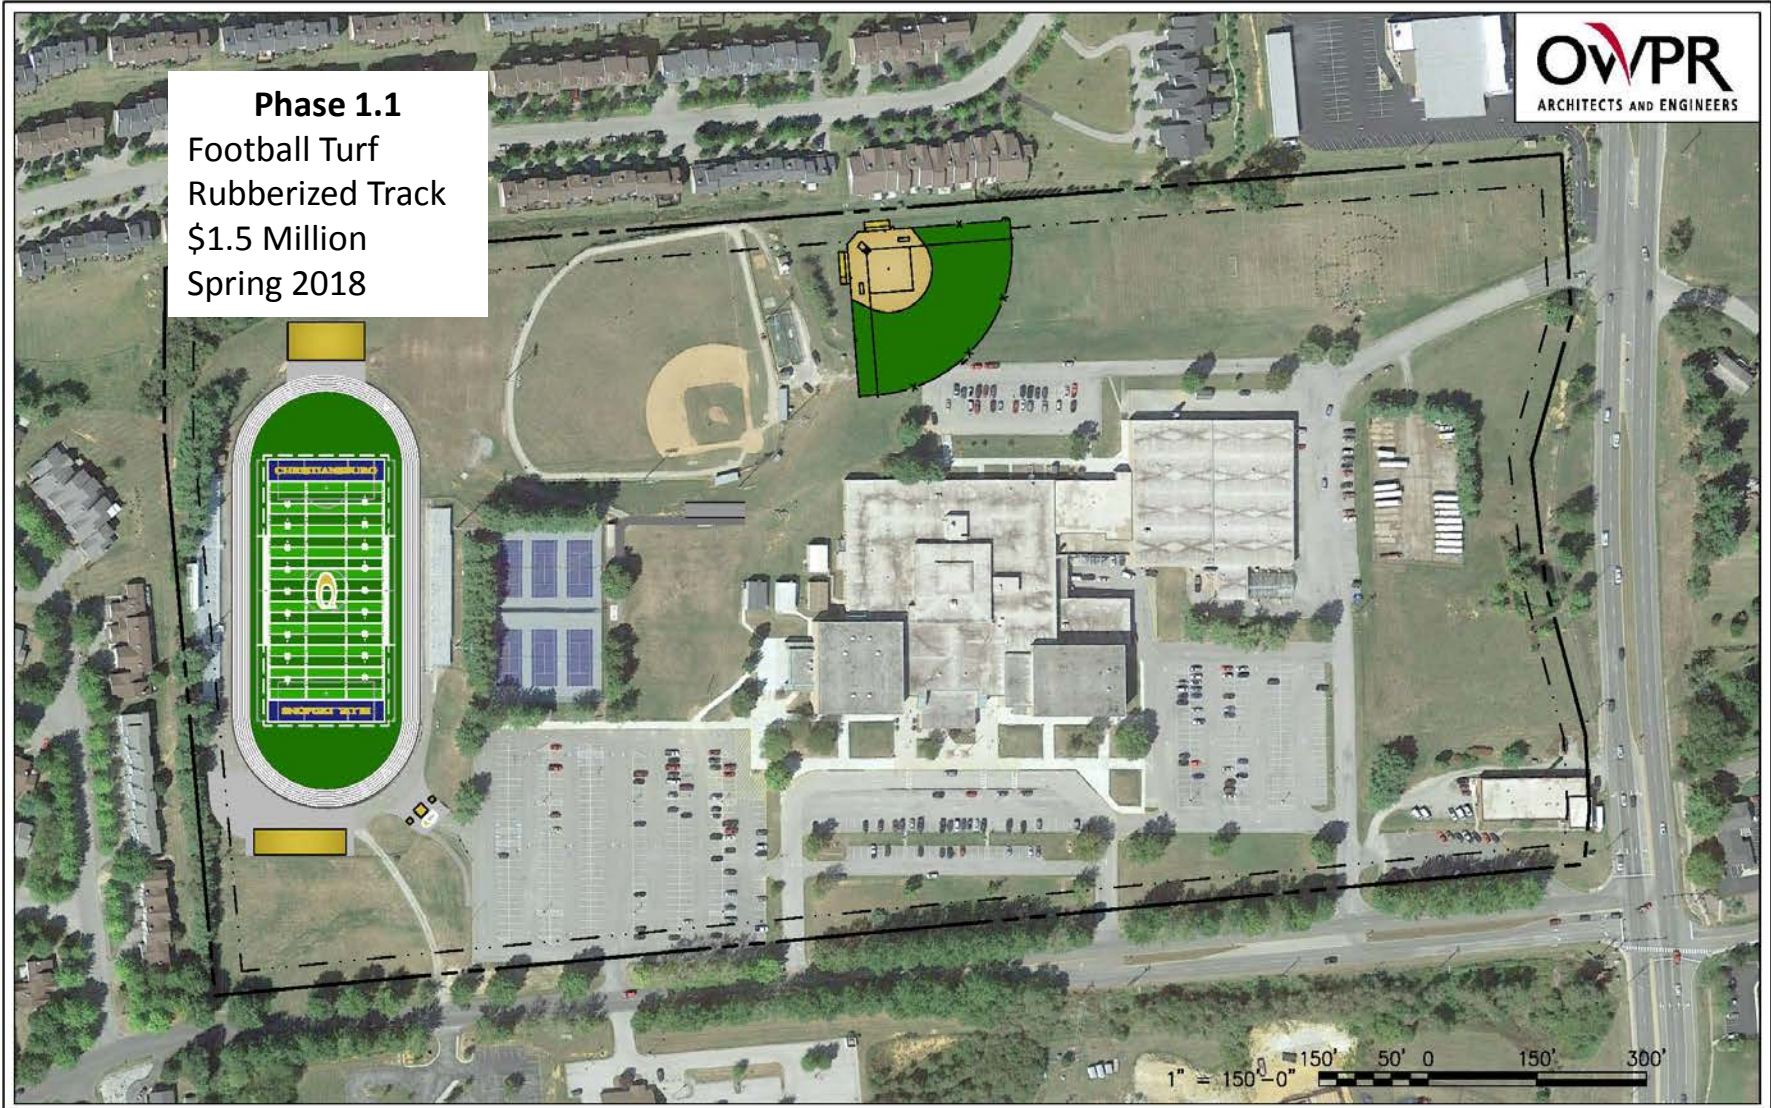

- Presentation on the current plan
- Public Input Opportunity
  - Use sticky notes to write down questions, comments or things we need to consider for each phase
  - Six stations, first station number is on agenda
  - As you move through stations, leave your sticky note and participate in dialogue
  - 10 min at each station
  - Public Address following input session (3 minutes per speaker)
- We will compile every response and present them to the School Board on September 19.
